# CONTRACTING WITH KĪNĀ'OLE

A Native Hawaiian Organization (NHO)

As Native Hawaiian Organization (NHO), SBA Certified 8(a) Program Participant small businesses, the Kīnā'ole Family of Companies offers the ability to provide rapid, cost-effective contracting solutions through direct awards.

As an NHO-owned 8(a) participant, Kīnā'ole companies are eligible for sole source awards in accordance with FAR 6.103-5(e) and FAR Part 19, with no Justification and Approval (J&A) required for awards under \$30 million, consistent with statutory authority. Using this method provides our customers the ability to procure services rapidly, at fair and reasonable prices, and with fewer uncertainties compared to the competitive bidding process across all requirements.

## NHO 8(a) PROGRAM ADVANTAGE

The NHO 8(a) direct award process can accelerate the procurement cycle by as much as 120 days compared to traditional procurement methods. This helps reduce cost, reduce risk of protests, and enables projects to begin more quickly for our customers.

### NHO 8(a) Direct Award vs. Traditional Procurement
